🎓 EDUCATION

Private Isikkent Anatolian High School   **Sep 2019 - Ongoing**

Senior Student   Anticipated Graduation – June 2024
Follow the Turkish Ministry of Education high school curriculum (Science-Math concentration)
Distinctions: Honors and High Honors Certificate for Grades 9, 10 and 11

💼 EXPERIENCE

Intern | Denizciler Iron Foundry   **Jul – Aug 2023**

- Completed a 2-week condensed Management Trainee programme
- Observed the manufacturing process of high-quality grey and ductile iron casting parts, and learnt about quality assurance certificates and their importance

Intern | Denizciler Iron Foundry   **Jun – Aug 2022**

- Studied the organisational chart and the hierarchical system of the company alongside job analyses
- Listened in on company meetings about increasing efficiency during manufacturing processes
- Presented products at the CastForge Exhibition to other industry professionals in English

Intern | Santeks Zippers   **Jun – Aug 2021**

- Attended to all departments of the company that manufactures zippers, accessories and metal buttons for foreign, renowned companies such as Disney
- Followed how zippers are manufactured and later how the sales department handled their sales by shadowing employees

📊 ACADEMIC ENRICHMENT

Algorithm Course   **Jun 2022 – Ongoing**

- Take an algorithm course by Asst. Prof. Onur Ugurlu on programming with C and machine learning using Python
- Developed an algorithm in Python for determining the shortest service routes for employees to their work locations; published the code on GitHub and wrote a project report according to academic standards on how and why it was coded this way

Augmented Mechanics Course at Kadir Has Summer High School   **Jul 2023**

- Registered for the Augmented Mechanics course designed and taught by Emeritus Prof Dr Nihat Berker
- Attended lectures on key mechanics topics on gravity, motion, friction, kinetic and potential energy, etc.

[University College London (UCL) Study Preparation Module](#)

Jul 2023

- Learned about university systems, academic reading and writing, citations, referencing and avoiding plagiarism and how to act as a university student with an online module developed by the UCL Institute of Education

EXTRACURRICULAR ACTIVITIES

Junior Achievement Young Entrepreneurs Club

2021 – 2022

Developed the idea of and designed a bracelet for kids with a credit card chip inside. Pitched it as a business plan for the [GencBizz High School Entrepreneurship Program](#) competition.

Ceramics Atelier Participation
